About Producer	Antica Sambuca is an iconic Italian liqueur with a great personality, produced by Rossi d'Asiago distillers in the valley between the Dolomite Mountains and Venice. The Rossi D'Asiago distillery was founded in 1868 and over the time it distinguished itself as a creator of innovative products, characterised by intense aromas and smooth flavours. The company consolidated its business with decades of hard work and research and it received important awards and great acclaim, including the Gran Medaglia D'Oro and the Grand Prix in Paris in 1904. Over 100 years later the history of Rossi D'Asiago took a new turn when Francesco Dal Toso, a distiller for almost 70 years and connoisseur of oenology, acquired the brand and the productive legacy of Rossi D'Asiago, and refounded his company under the name of Antiche Distillerie Riunite.
