## Additional Information

SKU	969214
Description	A dark ale made with a chocolate crystal and Maris Otter malts together with all English hops.
About Producer	The history of the brewery dates back to 2003 when the Loweswater Brewery was set up using a small 3 barrel kit. It was sited in an outbuilding at the Kirkstile Inn and initially just supplied the pub in Loweswater. Demand grew dramatically from other pubs and for festivals.
