About Producer	The origin of the vineyards of Beaumes-de-Venise is very old; the history of its wines can be traced back to 600 years before Christ, when a Greek community moved into the foothills of the Dentelles de Montmirail. The first vines from the Domaine de Coyeux date back to the 1950s. The estate was taken over in 2013 by Hugues de Feraudy, whose family was already established in Vaucluse in the tenth century.
