About Producer	Almost 250 years ago, Alexander Gordon started his distillery in London and set about creating the recipe for a brilliant tasting gin. Gordon's high quality and distinctive juniper flavour has come to define the taste of the classic G&T. Gordon's today is a gin that's enjoyed, not dissected. It's the perfect gin to start a Friday evening, or a Tuesday night catch up with friends, where we share a moment and have a laugh with people we love.
