Description	The history of the drink dates back to Roman times. It is said that after the Roman Empire conquered Quart Hadas in the South East of Spain they found a delicious drink made from citrus and various herbs.
About Producer	Back in 209 BC when the Romans conquered Carthago Nova, they encountered the Liqvor Mirabilis (marvellous liquid), produced and infused from local fruits and herbs. The Romans banned the production and consumption, but the Carthaginians continued in secret, and it was this liquid that inspired the recipe of Licor 43.
