Description	Part of a fresh strawberry and raspberry base distillation. The intense blue color is due to the infusion after the blend of the flower of Clitoria Ternatea a variety of tropical pea whose flower is a powerful dye and very rich in antioxidants.
About Producer	António Cuco first had the idea to make his own gin in September 2013, and by October he was already working on a recipe using the pressure cooker in his kitchen to tinker with various botanicals. This initial incarnation of Sharish Gin sold around 15 litres a week, even with these relatively crude methods.
ABV	40%
Brands	Sharish Gin
Dietary & Lifestyle	Suitable for vegetarians, Suitable for vegans
Size	50cl
Pack Size	1
Country of Origin	Portugal & Islands
