| About Producer | John Paul DeJoria and Martin Crowley are the two chaps behind the Patron Tequila brand. Their story starts in 1989 when they came together with a mission of creating the best tequila in the world. The Patron Spirits Company (formerly known as St. Maarten Spirits) grew and grew from the introduction of Patron Tequila. Ed Brown, who had formerly worked with Seagram's, joined in 2000, helping to further establish the brand as a premium product with his "Simply Perfect" campaign. As the demand for their tasty tequila rose, the company built their own huge distillery in Jalisco in 2002. |
