About Producer	Over many years Henry Weston refined the art of Herefordshire cider making. Today, Henry Weston Vintage Cider is crafted only from apples grown in a single year's harvest in the three counties of Herefordshire, Gloucestershire & Worcestershire. The cider is then slowly matured, spending time in oak vats to deliver a smooth and rounded cider, with exceptional character.
Ingredient Sourcing	All of the cider apples and perry pears that go into a Westons Cider product come from a 50-mile radius of the cider mill.
