Additional Information

SKU	962327
Description	An award winning refreshing sparkling cider that is bursting with the delicious flavour of crisp apples and sweet berries.
About Producer	Over many years Henry Weston refined the art of Herefordshire cider making. Today, Henry Weston Vintage Cider is crafted only from apples grown in a single year's harvest in the three counties of Herefordshire, Gloucestershire & Worcestershire. The cider is then slowly matured, spending time in oak vats to deliver a smooth and rounded cider, with exceptional character.
