About Producer	Whitley Neill is made from a 100% grain spirit that is steeped with botanicals prior to being distilled in a beautiful antique copper pot still called 'Constance' who is over 100 years old. Only the purest water is used and each of the nine botanicals are carefully selected to ensure that they are of the highest quality. Whitley Neill's tagline of "Crafted from the tree of life" goes a long way in describing what those botanicals might be.
